

BUSINESS ADMINISTRATION 2.0, ASSOCIATE IN SCIENCE FOR TRANSFER (AS-T)

Program Goals and Objectives

Must address a valid transfer, workforce preparation, basic skills, civic education, or lifelong learning purpose.

The goals of the proposed program are to align with the Business Administration Transfer Model Curriculum (TMC) and prepare students for transfer to a California State University (CSU) as a Business Administration, or similar major.

The Associate in Science in Business Administration 2.0 for Transfer (AS-T in Business Administration 2.0) aligns with the CSU Bachelor of Science in Business Administration. The AS-T in Business Administration 2.0 degree is aligned with the updated TMC Template and is designed to provide students with the most up-to-date common core of lower division courses required to transfer and pursue a baccalaureate degree in Business Administration. This includes business degrees with options such as accounting, finance, human resources management, international business, management, operations management, and marketing.

Upon completion of the appropriate four-year institution degree students will be prepared to enter occupations such as the following: Accountants and Auditors, Business Operations Specialists, Financial Managers, General and Operations Managers, Human Resources Specialists, Labor Relations Specialists, Management Analysts, market Research Analysts, marketing Specialists and Sales Managers.

The proposal must demonstrate a need for a program that meets the stated goals and objectives in the region the college proposes to serve with the program.

Comply with SB 1440 by providing a pathway for students transferring to a CSU in a major deemed similar.

Program Student Learning Outcomes

Upon completion of this program a student will be able to:

identify and utilize the fundamental principles of business.

Catalog Description

Includes program requirements, prerequisite skills or enrollment limitations, student learning outcomes, and information relevant to program goal.

A degree in business leads to a broad range of employment opportunities in a variety of industries such as banking, health care/ biotechnology, law, entertainment, defense, computer/electronics, and education, as well as in government agencies and not-for-profit organizations.

The Associate in Science in Business Administration 2.0 for Transfer (AS-T in Business Administration 2.0) is intended for students who plan to transfer and complete a bachelor's degree in Business Administration, or a "similar" major at a CSU campus. Each CSU campus determines which of the degrees it offers are "similar" and can be completed with the preparation included in the AS-T in Business Administration 2.0 within 60 units once a student transfers, so which majors are "similar" varies from CSU to CSU. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to the CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) website and seek guidance from a Moorpark College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

Includes course requirements and sequencing that reflect program goals.

To earn an AS-T in Business Administration 2.0, students must:

1. Complete a minimum of 60 semester or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The California General Education Transfer Curriculum (Cal-GETC) requirements.
 - b. The required coursework for the AS-T in Business Administration 2.0 as listed in the Moorpark College catalog.
2. Complete all courses in the major and the Cal-GETC with a grade of "C" or better or "Pass/Credit" if the course is taken on a "pass-no-pass" basis. Even though a "Pass/Credit" grade is allowed, it is highly recommended that students complete their major courses with a letter grade (A, B, or C). **Note:** the UC system allows a maximum of 14 semester (21 quarter) units of courses graded "Pass/Credit" toward the 60 transferable semester units required for transfer admission.
3. Obtain a minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework. While a minimum GPA of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
4. Complete a minimum of 12 semester units within the Ventura County Community College District.

Students transferring to a CSU campus that accepts the AS-T in Business Administration 2.0 will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

Course ID	Title	Units/Hours
REQUIRED CORE: Complete the following		
ACCT M110	Financial Accounting	3
ACCT M120	Managerial Accounting	3
BUS M30 or BUS M39	Introduction to Business Business Communication	3
BUS M33	Business Law	3
ECON C2001	Principles of Microeconomics	3
ECON C2002 or ECON C2002H	Principles of Macroeconomics Principles of Macroeconomics - Honors	3
MATH C2210 or MATH C2210H or MATH M16A	Calculus I: Early Transcendentals Calculus I: Early Transcendentals - Honors Applied Calculus I	3 - 5
STAT C1000 or STAT C1000H	Introduction to Statistics Introduction to Statistics - Honors	4
NOTE: BUS M140 may be required for transfer to some CSUs. Please work with your counselor to verify that the CSU you plan to attend requires Business M140. It is advantageous to complete this course before transferring. This course will examine information systems and their role in business by focusing on the theory and application of computer-based solutions to business problems.		
Total Units for the Major		25 - 27

General Education Pattern (Cal-GETC)	34
Double-Counted Units	9
Elective Units	8-10
Total Units for the AS-T Degree	60
